Employee evaluations are completed annually. Each employee is given a merit score based upon his/her performance. The Human Resources Director compiles a confidential report of all employees evaluations which is then given to the Chief Financial Officer (CFO). The CFO will calculate percentage increases for employees using information from the evaluation report, the agency budget, and the employee's earnings during the fiscal year. The CFO reviews the percentage increases with the President& CEO and the Vice President. The President & CEO, Vice President and CFO approve the agency wide percentage increase and employees typically receive their salary increases on July 1 of each year.

Typically, the Human Resources Director conducts an executive compensation comparison by reviewing wage and benefit survey reports from a third party.

The Human Resources Director creates a confidential executive compensation comparison report for review by the Brighton Center Executive Committee.

The Brighton Center Board Chair reports to the Brighton Center Executive

Committee of the Board of Directors the compensation comparison review.

Form 990, Part VI, Section C, Line 18:
