

# Garden Plot Application

## Ann Street Community Garden

Hello Gardeners! Brighton Center is very excited to be starting up our community garden for 2022! Welcome back to any returning gardeners and welcome to any new faces! Please take a moment to fill out the documents attached to reserve a plot (or two) for the upcoming planting season. The finished application should be returned to the front desk by Wednesday, May 4<sup>th</sup>. If you do not return the application by the deadline, you may not be guaranteed a plot for this season.

There is a \$10 fee for a garden plot. If you are unable to pay the required amount, you may instead pledge to work a minimum of 10 hours in the garden.

Gardening classes and cooking classes will be available for you to attend during the season. Dates for these events will be released later.

Happy Planting!
