

A unique 2-generation approach to education and long-term self-sufficiency

ABOUT NORTHERN KENTUCKY SCHOLAR HOUSE

Northern Kentucky Scholar House offers supportive services to qualifying students with a goal of achieving long-term self-sufficiency. Single parent student residents benefit from living in a multi-generational educationally driven and supportive environment for themselves and their children.

Located in Newport, Kentucky, the program features 48 two and three bedroom apartments built in 2015 with an on-site child development center and additional supports to make earning a degree a reality for single parents pursuing a post-secondary education.
