ABOUT CET

Center for Employment Training (CET) offers life-changing short-term skill training to help individuals enter high-demand jobs with a livable wage and build a successful future. Instruction is hands-on, practical, and personal, designed to get people working as quickly as possible to begin their path to a promising future.

Holistic support is provided through technical skill instruction, success skills, career coaching, financial education, and connections to Brighton Center's holistic continuum of services.

ENROLL

601 Washington Ave, Suite 140
Newport, Kentucky 41071
